THE ERGONOMIC WORK PLACE

Instrument tables

A range of instrument tables that support perfectly all Haag-Streit instruments, from slit lamps to bowl perimeters. The spring balanced tables HSM 901 stands out because of its unique floating height adjustment mechanism. The HSM 600 is a modern table series combining wheelchair accessibility and a small footprint.

The ergonomic workplace

The HSM 600 is a modern instrument table which meets advanced requirements on the workplace of an eyecare specialist: Ergonomic design for comfortable examination, asymmetric dimension allowing wheelchair accessibility and a small footprint which makes the table fit even into small examination rooms.

INSTRUMENT TABLE HSM 600

Large slit lamp table

This table is a workstation which has been designed for slit lamps with imaging. It provides sufficient space to place monitor, keyboard and mouse on the table. It allows a clean setup because all cabling can be properly stored. An optional LAN cable guided through the lifting column allows perfect network integration. Two optional shelves allow storage of accessories and an ultra small form factor computer.

INSTRUMENT TABLE HSM 600

Small slit lamp table

The requirements of a small footprint combined with wheelchair accessibility are perfectly met with this small slit lamp table. It allows a clean setup because all cabling of the instrument can be properly stored.

INSTRUMENT TABLE HSM 600

Lenstar table

Designed as a workstation for Lenstar this table provides sufficient space to place monitor, keyboard and mouse on the table. It allows a clean setup because all cabling can be properly stored. An optional LAN cable guided through the lifting column allows perfect network integration. Two optional shelves allow storage of accessories and an ultra small form factor computer.

INSTRUMENT TABLE HSM 600

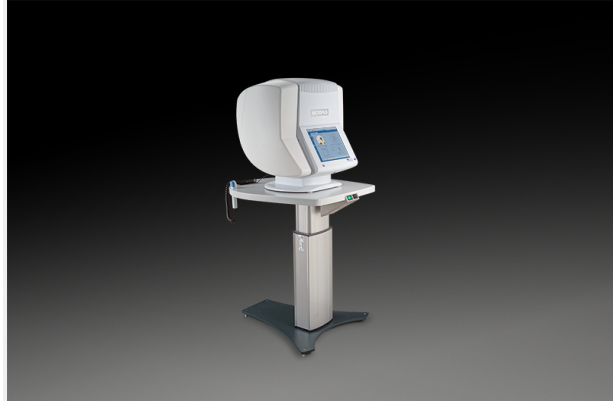

Large perimeter table

Designed as a workstation for Octopus 900 this table provides sufficient space to place monitor, keyboard and mouse on the table. It allows a clean setup because all cabling of the instrument can be properly stored. An optional LAN cable guided through the lifting column allows perfect network integration. Two optional shelves allow storage of accessories and an ultra small form factor computer.

INSTRUMENT TABLE HSM 600

Small perimeter table

The requirements of a small footprint combined with wheelchair accessibility are perfectly met with this table designed for Octopus 600. It allows a clean setup because all cabling of the instrument can be properly stored. An optional LAN cable guided through the liftig column allows perfect network integration.

INSTRUMENT TABLE HSM 901

Ingenious spring balanced height adjustment

The unique mechanical HSM 901 provides a durable spring balanced lift mechanism for a unique floating height adjustment of the instrument. Two drawers allow to store power supplies and accessories.

INSTRUMENT TABLE HSM 901

For different applications

Depending of the application a small, a medium sized or large table top can be mounted on the HSM 901. This allows convenient working with all Haag-Streit slit lamps and Lenstar.
